**Subject:** Granite Shore Power's Request to Meet with EPA Region 1

Dear Ms. Plagens:

On December 26, 2017, James Andrews, President of Granite Shore Power LLC (Granite Shore), sent a letter to Deborah Szaro, then Acting Regional Administrator of the Region 1 office of the United States Environmental Protection Agency (EPA Region 1). I was tasked with sending this brief response.

In his letter, Mr. Andrews requested a meeting with Ms. Szaro and relevant staff from EPA Region 1. Since that request came in, Granite Shore closed on its purchase from Eversource Energy of the Merrimack, Schiller and Newington power plants, as well as the Lost Nation and While Lake facilities. In addition, since Mr. Andrews' letter was sent, Alexandra Dapolito Dunn has started her work as EPA Region 1's new Regional Administrator. We communicated your request for a meeting to Ms. Dunn and she is glad to meet with Granite Shore. The Regional Administrator's Administrative Assistant Jane Lindsay will be contacting you to arrange a mutually agreeable time for this meeting.

We look forward to talking with Granite Shore's representatives soon.

Sincerely,

Mark A. Stein
